

Meet the Teacher!

Mrs. Catalano

Hello! My name is Meghan Catalano. I am a middle school math teacher turned stay at home mom of 3. Max (8), Leah (6) and Kate (3). I have been married to my husband Dave for 10 years :). I found Northmore on a whim when my son was getting ready for preschool. I started here as a parent in 2017 and slowly became more involved with Parent Club and now find myself as the Office Manager/Treasurer

Education

I graduated from SUNY Fredonia with my BS in Education and went on to earn my MS in Differentiated instruction from Canisius College. I taught middle school math for 5 years before starting my family.

Contact Me

I can be reached by email at info@northmorenurseryschool.org
