

# Meet the Teacher!

## Mrs. Watson

Hello! My name is Amanda Watson, and I'm excited to be starting another year at Northmore in the 3 year old classroom!

Before joining Northmore, I was a stay at home mom to my 2 children. I have a daughter named Avery, and a son named Hunter. My husband Dave and I live right here in the Ken-Ton area, along with our 2 dogs, Max and Luna!

In my spare time, I love getting crafty and making fun projects on my Cricut machine! During the spring, summer and fall seasons, you can always find my family and I camping in our travel trailer. We love trying new campgrounds all the time!

I'm super excited to get to know you and your child, and I'm looking forward to a great year at Northmore.

### Education

After graduating high school in 2004, I jumped right into the world of daycare. I have over 15 years of experience in working with small children, and during those years I've received countless trainings based around the childhood field. I am also a trained Tinkergarten Leader, which is a program based on learning through outdoor play.
