

Meet the Teacher!

Mrs. Lanham

Hi! My name is Mary Lanham SAHM to two goofballs Theo (5) and Andrew (3). After my husband and I met in high school back in MD we moved to NY to be close to family (and Paula's Donuts). I've worked with kids almost all my life and don't mind getting messy to have a creative, fun, and enriching environment!

Education

After graduating from Niagara University with a BA in Special Education, I got my Masters at Buff State in Early Childhood Education.
